Our responsibility is to express a limited assurance conclusion on the B-BBEE Status reflected in the Certificate based on the procedures we have performed. We conducted our limited assurance engagement in accordance with the Amended B-BBEE Codes of Good Practice on Black Economic Empowerment, gazetted on 13 October 2013. This standard requires us to comply with ethical requirements and to plan and perform this engagement to obtain limited assurance about whether the Certificate is free from material misstatement.

A limited assurance engagement with respect to a B-BBEE Verification Certificate involves performing procedures regarding the Scorecard and B-BBEE Status of Torre Holdings Proprietary Limited t/a Torre Group South Africa entity based on the criteria and requirements contained in the Codes of Good Practice. We believe that the evidence we have obtained in our limited assurance engagement is sufficient and appropriate to provide a basis for our conclusion.

Summary of work performed

- Obtaining an understanding of the entity and its environment and the underlying records sufficient to identify areas in the Scorecard where material misstatements are likely to arise, and to be able to design procedures to address those areas;
- Inquiring of management and employees responsible for the preparation of the B-BBEE compliance information;
- Performing such additional procedures as we considered necessary;
- Re-performing calculations to determine whether the scores reflected in the Scorecard have been classified and determined in all material respects in accordance with the Amended B-BBEE Codes of Good Practice on Black Economic Empowerment, gazetted on 13 October 2013.
